5. Recap of PTA at the Capitol - Cammy talked about how it was very informative She especially liked the lunch time to speak with Senators and Representatives. That was by far the most informative time of the day. She talked about how it is hard for busy PTA members to get to the capitol, fight parking and dedicate most of the day away from family and other responsibilities. She suggested that it would be beneficial to figure out a way to bring the senators and Reps to the local PTAs.
6. GALA Recap - Definitely an event to repeat next year. It was a great way to do the needs assessment and get feedback from a lot of the families. Aim for January Next year.
7. Fundraiser Recap/Planning
 - a. Products will be arriving the week of 3/9
 - i. Those who can help sort orders meet March 9th at 1pm and March 10th at 10am
 - ii. We had discussed giving order to the teachers to hand out but after discussion with Kathe we will be sending the smaller orders home with students and the larger orders can be picked up in the office.

Next year we want to try to have the fundraiser in September. Maybe try holding a Fun Run?

We will continue to hand out trading cards through the end of the year for donations. 3 cards for every \$5 donation. Maybe have an incremental incentive like 7 cards for \$10, 15 cards for \$20. They will be handed out on the 1st and 3rd Friday of the month. Cammy will look into creating some sort of donation envelope for kids to turn donation money in. Would also need the receipt book.
