Close School Community Council Meeting

Minutes from Oct 11, 2024 :

The group had some concerns about Having Big Brothers Big Sisters Donations because we saw the space that 5,000 pounds raises and it was very large and would only raise \$750. We were also wondering if they pay money for toys, luggage, and shoes. They also wondered if they would stay in the bins or need to get more bins. People did not want to touch the dirty clothes after they were in the bins.

So we all agreed that we would have a Papa Murphy's Fundraiser instead so it's less messy.

Minutes from September 6th meeting:

Marianne Discussed the test results of 2023-2024 school year

Marianne also presented a slideshow on how we use Title 1 funds
