# WHAT IS TITLE I?

- Title I was passed in 1965 under the Elementary and Secondary Education Act (ESEA). It is the largest federal assistance program for our nation's schools.
- Title I schools receive extra funding (Title I dollars) from the federal government. These dollars are used to:
  - identify students experiencing academic difficulties and provide assistance to help these students
  - fund additional staff, programs, materials, and/or supplies
  - conduct parent and family engagement meetings, trainings, events, and/or activities.

# HOW DOES MAJESTIC ELEMENTARY ARTS ACADEMY USE TITLE I FUNDS?

- Targeted Assistance program; funds go to help those most at risk academically.
- In 2021-2022, Majestic Elementary Arts Academy has chosen to focus our Title I funds on reading and math skills in grades K-6.
- Most of our funding goes to staffing. Our Instructional Coach, Assistant Principal, and five of our Teaching Assistants are paid partially or solely through Title I funds.
- Family Learning Center

# WHAT IS A PARENT AND FAMILY ENGAGEMENT POLICY?

- These plans address how the school will implement the parent and family engagement requirements of ESSA. Components should include:
  - How parents and families can be involved in decision-making and activities
  - How parent and family engagement funds are being used
  - How information and training will be provided to families
  - How the school will build capacity in families and staff for strong parent and family engagement
- The school Parent and Family Engagement Policy can be found on Majestic Elementary Arts Academy's website <https://majestic.jordandistrict.org>. Click on "CSIP/Title I." It is also available in our front office in our Title I binder.
- You, as a Title I parent or family member, have the right to be involved in the development of these plans.

# WHAT IS A SCHOOL-PARENT COMPACT?

- A school-parent compact is a written commitment that outlines how the entire school community – teachers, families, and students -- will share the responsibility for improved academic achievement.
- The compact must describe how the school will:
  - provide high-quality curriculum and instruction
  - hold parent-teacher conferences (annually in elementary schools)
  - provide parents with reports on their child's progress
  - provide parents reasonable access to staff
  - provide parents opportunities to volunteer
  - ensure regular two-way meaningful communication between family members and staff, to the extent practicable, in a language family members can understand.
- Majestic Elementary Arts Academy's School-Parent Compact is signed at registration, and can also be found on the school's website under "CSIP/Title I."
- You, as a Title I parent or family member, have the right to be involved in the development of the compact.

# WHAT ARE MY RIGHTS?

- The families and parents of Title I students have a right, by law, to:
  - be involved in decisions made at both the school and district level
  - be provided with information on your child's level of achievement on tests in reading/language arts, writing, mathematics, and science
  - request and receive information on the qualifications of your child's teacher and paraprofessionals who are working with your child
  - request opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions about the education of your child. The school is required to respond to any such suggestions as soon as practicably possible.
