

**Combined PTA/SCC Meeting Minutes**  
**November 5, 2021**

In attendance: Heidi Hansen, Rebecca Schaefer, Marianne Johansen, Staci Moore, Rosa Tecalco, Norma Reyes

**SCC**

- Ms Johansen discussed moving the Freedom Wall from the main hallway opposite the office to the large open wall in the Media Center. The main hallway will then feature student work emphasizing Majestic's new focus on the arts as an Arts Academy. Voting was unanimous to approve the move.
- Majestic's focus as an Arts Academy requires the students to perform 3 times per year. Title I status requires 2 parent nights be held each year. We will combine both purposes to hold a Winter Celebration the evening of 12/9. From 6-7 pm, the students will perform on the stage in the gym, beginning with the older grades and proceeding to the younger grades. Following the performance, teachers will host families in their classrooms for academically based activities.
- Ms Moore presented the Title I Compliance information slideshow, including the Parent Involvement Plan and both she and Ms Johansen answered questions. We discussed the need to find ways to help ELL families feel welcome and included within the school community and feel comfortable volunteering and participating in PTA, etc.

**PTA**

- Heidi called the meeting to order.
- The Book Fair is next week November 10-11, in conjunction with Parent-Teacher Conferences. We will be setting up Tuesday (11/9) from 1-3 pm on the stage. Rebecca will send fliers home Monday and hang posters around the school advertising the Book Fair. Heidi has a list of volunteers. Rebecca will create a schedule of volunteers so we know whom to expect. Rosa will volunteer Wednesday, all afternoon, but will be translating for conferences Thursday, so will help as available that day. Norma is available

Wednesday from 5-6:30 pm. We can use the tables the school uses for Food Bank to set up. We need to consider how to include a PTA info table.

- The Penny War fundraiser seemed to go well. We will count the money after school on Tuesday, 11/9. We will announce winners and plans for the snow cone party on Thursday, 11/11.
- It was suggested that we consider doing something for our custodians for Custodian Appreciation Week in the spring.
- We are providing lunch for the teachers during conferences on Thursday, 11/11 at 1 pm in the Faculty Room. We will be serving sandwiches from Village Baker, salads, Costco cookies, and bottled water. Heidi will pick everything up.
- We discussed the possibility of obtaining Food Handlers permits. Norma has one already. Ms Johansen thinks she may have funding to cover the cost for Rebecca and Heidi to take the online course. Rebecca will send the link to Heidi so both can obtain permits.
- We still need to send home information for signing up on AmazonSmile, as well as Smith's reward program. We can put the info on Skylert as well.
- The meeting was dismissed.
