KINDERGARTEN REGISTRATION 2022-2023

Dear Parents,

It is important that we obtain an accurate list of all children qualifying for kindergarten in the Jordan School District for the 2022-2023 school year. If you have a child that will be five years of age ***on*** or ***before*** September 1, 2022, the child qualifies for next year's kindergarten program. State law requires that all school districts in Utah abide by the same September 1st entrance cut-off date.

If you know of a neighbor that has a qualifying kindergarten child, please share this information with them and tell them to call the school and register their kindergarten child.

If you live outside of Majestic Elementary boundaries, you are welcome and encouraged to register as well. All permit requests will be added to a waiting list and accepted upon availability. The [Online Permit Portal](https://www.jordandistrict.org/online-permit-portal) is available through Jordandistrict.org website.

If your child qualifies for Kindergarten, fill out the registration form attached with this letter. ***Please note you will be required to provide an immunization record, proof of residency, parent/guardian driver's license, and an original certified birth certificate to complete the registration. We will begin accepting these documents today! Please provide originals, we will make copies of the documents.***

Don't delay registration while you obtain the documents!

For questions please call the office at 801-565-7458.

Sincerely,

Marianne Johansen, Principal
